Young Researchers Forum:

Young Scientist Awards for Nanotech Forum 2020

Mar 27-28, 2020 | Madrid, Spain

Lexis conferences invite the participants from all over the globe to take part in “**Nanotech Forum 2020**” during March **27-28, 2020** at **Madrid, Spain**. The conference focuses on the theme: “*Nanotechnology – The key to Future*”. Scientific sessions designed for this conference will assist the attendees and participants to learn extremes.

[Nanotech Forum 2020](#) aims to bring together the pioneers in both basic and translational Material research and cover the research studies, fundamentals of materials and the Nano materials, nanofabrication, Nanoparticles, Nano manufacturing, Nano structures, [Nano reseachers](#), Nano Makers, nano medicine, Solar cells, [Material Science](#), and Nano Engineering.

Nanotech Forum 2020 Conference brings you an immense opportunity to be a part of scientific acceleration to [Nanotechnology Organizations](#). Material researchers, Computational Bioinformaticians, Educational institutes, Nanotech Researchers, Translational materialists, Practicing materialists in training, world class personalities, young scholars, scientific delegates and young scientists to join in this forum to utilize the expertise and novelties that brings a new era for revolutions in the field of Nanotechnology & Material Science which brings well versed scrutinizers at one place. It provides a platform to have open discussions, knowledge sharing and interactive sessions with field experts at Nanotech Forum 2020.

Prestigious Award for Young Research's at Nanotech Forum 2020 – Nanotechnology – The key to Future

Nanotech Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development

opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Nanotechnology and Material science.

Young Research's Awards at Nanotech Forum 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Nanotech Forum 2020 young research forum.

Benefits:

- Young Scientist Award recognition certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility:

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit-Under 35yrs
- All submissions must be in English.

Nanotech Forum 2020 provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join Nanotech Forum 2020 for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our Nanotech Forum 2020 more successful.

The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

How to apply

Candidates applying for the Young Researcher Award should send their resume, and a letter of recommendation (from a research adviser for students or a senior faculty member) to nano@eventqueries.com along with the online application form below.
