

3rd International Conference on Gastroenterology and Digestive Disorders

Nezar A. Almahfooz

Faruk Medical City, Iraq

Abstract

We extend our sincere thanks to all our great Keynote Speakers, Speakers, Delegates, and Guests for making Gastroenterologists 2020 a fruitful event. AAC hosted the event of "3rd International Conference on Gastroenterology and Digestive Disorders" during Feb 24-25, 2020 in Vienna, Austria at Fleming's Conference Hotel Wien. Talks and discussion focused on the theme "Future Outlook and Peculiar Trends in Gastroenterology" and it was an astounding success where prominent keynote speakers from different reputed associations and universities made their vivid nearness and tended to the social affair. AAC might want to pass on a heartfelt appreciation to the Session Chairs/ Co-Chairs and Session Speakers who made this meeting more valuable and effective to the Researchers, Educators, Investigate Researchers and Delegates from Healthcare parts met there. Gastroenterology 2020 Conference is specifically planned with a uniting axiom providing the platform to expand the imminent scientific creations.
