

## Announcement on 15th World Congress on Nursing Practice and Research

The “World Congress on Nursing Practice and Research” has been designed to aid nurses from both academic as well as clinical settings to gather and discuss emerging “Trends, Challenge and Leadership in Nursing Practice and Research”. It gives ample opportunities to meet and connect with nursing professionals from around the world. Tokyo is a popular destination among nursing professionals due to its multi-faceted medical ecosystem, robust infrastructure, efficient transportation, and diverse tourist attractions.

This congress is focused on addressing “Trends, Challenges and Leadership in Nursing Practice and Research”. It emphasizes talks on Emerging Trends, Use of Technology in Nursing, New Nursing Research Fields and Opportunities, Good Work in Nursing, Efficient Management, etc. The conference proceedings are published in well-indexed journals.
