

## Announcement on 5th Nursing Research and Evidence Based Practice Conference

Nursing Research and Evidence-Based Practice Conference has been designed to aid nurses from both academic as well as clinical settings to gather and discuss emerging “Trends, Challenge, and Leadership in Nursing Research and Evidence-Based Practice”.

Nursing Research Conference 2021 has been cautiously structured with different multi and interdisciplinary tracks to achieve the center target of the meeting that is to give a stage to both scholarly world and industry specialists and experts to accumulate, trade intel, and assemble a system in their particular fields. This gathering gives the worldwide arena to global researchers, professors, doctors, scientists, chemist, students, business delegates and young researchers across the globe to voice their examination discoveries to the world. We cheerfully welcome every single concerned individual to come and go along with us at our occasion and make it fruitful by your co-operation.
