INTRODUCTION

The New Year promises many exciting developments for [International Research Journal of Agricultural Science and Soil Science](https://www.interestjournals.org/agricultural-science-soil-science.html). Popularity of the IJRAS can be ascertained by the reader's interest, curiosity and support, which is estimated from the response we have been receiving from diverse geographical regions all across the world. The number of citations per year continues its robust rise as articles enjoy increasingly broad dissemination. The journal is now getting indexed in different academic forums. All these are promising signs. Congratulations to all of our Editorial Board members, reviewers, authors and readers for achieving this distinction.

The journal has published 250+ articles in 60+ issues from major part over the world. The journal has published editorials on agriculture and soil sciences, Agricultural Biodiversity, Agricultural Botany, Agricultural Genomics, Agricultural Resources, Breeding Genetics, Horticulture, Soil Science and Soil Land Use, Soil-Plant Relationships etc.

On behalf of the Board of the IJRAS and my co-editors, I am glad to present the successful journey of the journal upon the completion of nine years milestone till 2020. Till 2019, JPCIC received a total of 300+ papers, out of which 15% articles were rejected in the preliminary screening due to plagiarism or being out of the format. Around 250 articles were subjected to the peer-review process and 250 of those were accepted & published in journal.

Authors are cordially invited to submit their current research activities and outcomes in the form of any article type of science communication such as original research, review, expert opinion, commentary, short note communication to our Journal.

Manuscripts can be submitted online via Editorial Tracking System to <https://www.scholarscentral.org/submissions/international-research-agricultural-science-soil-science.html> or as an E-mail attachment to the Editorial Office at scisoil@jopenaccess.org for quality review process and the authors can submit manuscripts and track their progress.

I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of IJRAS, the office bearers and staff for their support in bringing out yet another volume of IJRAS and look forward to their unrelenting support to bring out the excellent articles to IJRAS in scheduled time.
