EDITORIAL INVITATION

International Research Journal of Engineering Science, Technology and Innovation is inviting new Editorial Board Members. As the journal grows, we must ensure that it can handle the increased volume of submissions while maintaining our high editorial standards. As a result, we're looking to grow our editorial team. We would like the applications from researchers with a background in one of the disciplines below:

- Rubber Technology
- Space Technology
- Forensic Science and Technology
- Food Technology, Engineering Technology
- Nanotechnology, Ceramic Technology
- Embedded System and Technology
- Multimedia Technology
- Pharmaceutical Technology
- Plastic Technology
- Printing Technology
- Polymer Technology
- Rubber Technology
- Product Innovation
- Business Innovation
- Architectural Innovation
- Polymer Engineering

- Production Engineering
- Management of Technology and Innovation,
- Innovation in Emerging Economies,
- Hydropower Energy
- Hydro Electric Energy

CRITERIA

Research scholars, who are dedicated, are welcome to apply to In. Re. J Eng Sci Technol Innov. Our Editorial Board Members must have a minimum of 15+ research papers published in reputable, journals that must follow peer-review.

ROLE AND RESPONSIBILITIES

The Editorial Board Member is primarily responsible for assessing articles for peer review suitability and selecting appropriate reviewers who fulfill the Journal's standards.

An Editorial Board Member must be engaged at least two manuscripts per month within their field of expertise.

Contact us at email: engsci@epubjournals.com

If you are interested in becoming our Editorial Board Member, and you meet the criteria above, please email us at the email id provided above. We look forward to hearing from you.
