

Editorial Note

Editorial Note on International Research Journal of Basic and Clinical Studies

Oliemen Spiff

I am pleased to mention that all articles were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

International Research Journal of Basic and Clinical Studies covers Electrochemical energy conversion, conservation, and storage, New battery systems, fuel cells, super capacitors, Solar cells, power delivery, industrial synthesis, Environmental remediation, cell design, corrosion etc. which are reflected in journal highlights. IRJBCS have been cited 58 times by eminent researchers all around the world received from the countries like Saudi Arabia, Singapore, Iran, Australia, USA, etc.

The "**International Research Journal of Basic and Clinical Studies (IRJBCS)**" is an open access, peer-reviewed journal in English that is published Half yearly since 2015. Number of issues were reduced to maintain quality research article for journal archive. **IRJBCS** is a broad-based journal founded on two tenets: to publish the most exciting researches with respect to the subjects of Basic and Clinical Research and to provide a rapid turn-around time possible for reviewing and publishing, and to disseminate the articles freely for research, teaching and reference purposes. It offers an opportunity to unify the basic and clinical research efforts of researchers in biomedical field even if their areas of interest are distantly related to health sciences.

International Research Journal of Basic and Clinical Studies follows a double blind peer review process and the data base of reviewers and editors is composed of eminent researchers around the world who's contribution to the scientific world is impeccable. Apart from the pre quality check for the plagiarism the manuscripts submitted are required to be approved by the editors to be accepted for the publication which results in rejection of almost 70% of the article submitted and only few make their way to published. Average publication time of an article is 4-5 weeks depending upon the authors to submit their revisions on time.

The journal is devoted to promoting the science and practice of basic and clinical research. Our dedicated technical and editorial team members from different fields of Basic, Clinical studies and related disciplines ensures the quality and review standard of our publications. IRJBCS is currently accepting

manuscripts; you can support this journal (IRJBCS) by sending your manuscripts to us or by joining our editorial team. IRJBCS publishes original research paper, review papers editorial, case report, short communication and other information relevant to basic and clinical medicine and related fields.
