

Infinite leads, powerful profits: The signature talk formula for all the clients you want

Katia Rave

International Speaker - Business Coach, USA

Abstract

This presentation is designed for coaches, speakers, and service-based entrepreneurs. When you understand the tools to enroll more clients to inspire them to work with you and how you can make more money, you have the keys to success. Are you ready to discover how to get your business to stand out and be seen as an expert in your industry? Speaking is the crucial key to enroll more clients, make more money and have unlimited access to leads and clients. It is time for you to understand how to use and how to refine your speaking skills to grow your business.

Key Takeaways:

- Why is it important to know who your avatar is? Who is your ideal client and what pain points do you fix?
- What is your value proposition, and why is it hard for you to sell it? (You are in sales if you have a business)
- How to use public speaking as a way to get an infinite supply of leads and clients.
