

International Research Journal of Biochemistry and Bioinformatics (IRJBB)

Syed Ibrahim Rizvi

University of Allahabad, Allahabad, India

Editorial Note:

I am pleased to introduce International Research Journal of Biochemistry and Bioinformatics (IRJBB) is a peer-reviewed journal aiming to publish current and relevant findings from cutting edge research in biochemistry, bioinformatics and related disciplines. It covers all aspects of biochemistry, bioinformatics, microbiology, biotechnology, and other related fields. Our dedicated technical and editorial team members from different fields of Biochemistry, bioinformatics and related fields ensure the quality and review standard of our publications. IRJBB publishes original articles, brief reports, letters to editor and reviews. IRJBB is currently accepting manuscripts; you can support this journal (IRJBB) by sending your manuscripts to us or by joining our editorial team (ISSN: 2250-9941). is growing continuously. It is our pleasure to announce that during year 2020, all issues of volume 12 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

All published articles of this journal are included in the indexing and abstracting coverage of CAS Source Index (CASSI), Index Copernicus, Google Scholar, Sherpa Romeo, Academic Journals Database, GenamicsJournalSeek, JournalTOCs, CiteFactor, Electronic Journals Library, RefSeek, Hamdard University, EBSCO A-Z, Directory of Abstract Indexing for Journals, World Catalogue of Scientific Journals, OCLC- WorldCat, Scholarsteer, SWB online catalog, Virtual Library of Biology (vifabio), Publons, Dtfundit, Geneva Foundation for Medical Education and Research.

During the calendar year 2020, International Research Journal of Biochemistry and Bioinformatics received a total of 30 papers, out of

which 6 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 16 articles were subjected for publication after they are accepted in the peer review process. In the 4 issues of Volume 12 published during the year 2020, a total of 16 articles were published (at an average of 3 articles per issue of which, articles were published from authors all around the world. A total of 30 research scientists from all over the world reviewed the 16 articles published in volume 12. Average publication period of an article was further reduced to 14-21 days.

During the calendar year 2020, a total of three Editors, ten Reviewers joined the board of IRJBB and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will be beneficial to publish quality of article in the Journal.

I take this opportunity to acknowledge the contribution of Editor-in-chief and Associate Editor during the final editing of articles published and bringing out issues of IRJBB in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, language editor, honorary editors, the scientific advisory and the editorial board of IRJBB, the office bearers for their support in bringing out the new volume (Volume 13) of IRJBB for the calendar year 2021 and look forward to their unrelenting support further to release more issues for International Research Journal of Biochemistry and Bioinformatics (IRJBB in scheduled time).
