

Past Conference Editorial of GIS 2020

Conference Series LLC Ltd hosted the “GIS”, during November 23-24, 2020, Webinar with the theme, “GIS and Remote Sensing Techniques for Future Use”, which was a great success. Eminent keynote speakers from various reputed institutions and organizations addressed the gathering with their resplendent presence.

We extend our grateful thanks to all the momentous speakers, conference attendees who contributed towards the successful run of the conference.

GIS 2020 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various latest and exciting innovations in all areas of Geologists, Geo-Scientists.

GIS Organizing Committee extends its gratitude and congratulates the Honorable Moderators of the conference.

Conference Series LLC Ltd extends its warm gratitude to all the Honorable Guests and Keynote Speakers of “GIS 2020”.

- Andrzej Dlugonski, Cardinal Stefan Wyszyński University in Warsaw, Poland
- Abdulkadir Mohammed, Department of Geography, IBB University, Lapai, Niger State, Nigeria

Conference Series LLC Ltd is privileged to felicitate GIS 2020 Organizing Committee, Keynote Speakers, Chairs & Co-Chairs and the Moderators of the conference whose support and efforts made the conference to move on the path of success. Conference Series LLC LTD thanks every individual participant for the enormous exquisite response. This inspires us to continue organizing events and conferences for further research in the field of Climate Change and Climatology.

Conference Series LLC Ltd is glad to announce its “7th International Conference on GIS and Remote Sensing” during August, 02-03, 2021 Rome, Italy. We cordially welcome all the eminent researchers. Our aim is to aggregate Geologists, Geo Scientists community and various Geological Associations and to create a platform for robust exchange of information on technological advances, new scientific achievements and the effectiveness of various regulatory programs in the field of Geology. It provides a premier technical forum for reporting and learning about the latest research and development, as well as for launching new applications and technologies with **20%** abatement on the Early Bird Prices.

Bookmark your dates for “GIS 2021” as the Nominations for Best Poster Awards and Young Researcher Awards are open across the world.
