

Past conference report on Global Conference on Endocrinology disorders, Diabetes complications and Hypertension

Dr. Ian James Martins

Sarich Neuroscience Research Institute, Australia

The Global conference on Endocrinology disorders, Diabetes complications and Hypertension was held on August 1st, 2020 as a webinar due to the ongoing COVID-19 pandemic

We had a wonderful experience by researchers sharing their amazing insights, study ideas, and making this 2-day event a sprinkle with new enhancements. The meeting engrossed a vicinity of comprehensive discussions on novel subjects like Hypertension, Diabetes, Medical Complications associated with it.

We would like to express our sincere gratitude to Moderators, Speakers, Keynote Speakers, Members of the Organizing Committee, Attendants and Guests for their inspiring speeches and for making Endocrinology 2020 a memorable and fruitful affair.

The conference started with an opening ceremony accompanied by keynote sessions and followed by a series of lectures given by both Honorable Guests and Keynote Forum leaders. The conference proceedings were held by various Scientific-sessions and plenary presentations.

Our Keynote Presenter, Speakers:
