

Purpose Driven Profits: 5 secrets to creating a lucrative freedom-based lifestyle filled with purpose driven work you love

Kathleen Hamilton
GeniusU, United Kingdom

Abstract

At this moment in history, entrepreneurs are the people in the world who have the most power to create positive change. At the same time, new technology means that the future of work looks different to anything we could have imagined, and remote work is becoming the norm. Kathleen Hamilton has spent the last 4 years living and working remotely, becoming the Head of Product for GeniusU in the process and managing her global team from wherever she is, with her laptop and Wi-Fi connection. In this presentation, she'll share the future of business with the overview of where the world is now - and the secrets to creating a life where you can earn what you want, doing what you love & what you're good at, while making a positive impact in the world.

Biography:

Kathleen Hamilton is the Head of Product for GeniusU, a global ed-tech platform making entrepreneur education available globally and revolutionizing the education industry. She cares about people-on-purpose and believes that people can make a greater impact in the world when they do work that they love.
